Our Organisation Makes People Happy
Oomph!

Oomph!

A while ago I said we needed more  oomph in safety!
I didn't mean aggressive behaviour on site.

But meant things like

- site visits
- close call reporting
- safety conversations and observations
- tool box talks

Aggressive or disrespectful behaviour will not be tolerated.

Let's work together and look after one another.

For further information please contact
Russ Langley, SQE Adviser on 07702924417
